RE: Envirochem Site

Dear Mr. Connelly:

I am in receipt of your letter dated June 19, 1989, requesting copies of documents which provide the basis for U.S. Environmental Protection Agency's (U.S. EPA) claim that Andersen Corporation is a Potentially Responsible Party at the Envirochem Site. Enclosed please find relevant documents. The documents provided are as follows:

Group 1: An excerpt from U.S. EPA's Transactional Database for Envirochem, which pertains to Envirochem.

Group 2: Copies of the State of Indiana Hauler Records indicating Jones Chemical as transporter of Andersen's hazardous substances to Envirochem.

Group 3: Copies of Envirochem's Log indicating Andersen Corporation as the generator.

Should you have any questions regarding this matter please contact me at (312) 886-4247.

Sincerely,

Charles C. McKinley  
Assistant Regional Counsel
